

In general, the HIPAA privacy rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communications or that a communication of PHI be made by alternative means, such as sending correspondence to the individual's office instead of the individual's home.

I wish to be contacted in the following manner (*check all that apply*):

- | | |
|--|---|
| <input type="checkbox"/> Home Telephone _____
